

EVERY NURSE CAN STOP ABUSE

The College's abuse-prevention program,

One is One too Many, provides valuable lessons and tools that nurses need to stop abuse.

Learn how to:

- handle challenging situations
- recognize abuse
- respond to abuse in your workplace

The program includes

- a powerful video with scenarios and commentary from nurses
- a self-directed nurses' workbook with lessons and case scenarios
- a comprehensive facilitators' guide for group learning
- valuable abuse-prevention practices
