RPN ETP Competency Revisions

Donna Rawlin shared with the group our progress chart on the final stages of revisions to the RPN ETPs. Donna Rawlin reviewed the National Competencies and gave a few examples of competencies that were collapsed into one or more domains. She reminded the group that she will be hosting "Map the Gap" workshops on May 24th, 30th & 31st to help PN programs integrate the new competencies.

Risk and Mitigation Strategies

The group reviewed the responses that were gathered from our previous meeting last month. Donna Rawlin continued the discussion on identifying risks and mitigating strategies that the PN schools can anticipate with the transition of the new PN exam.
