The purpose of this group is to work with schools to prepare and provide resources needed to complete the field testing of this exam in 2020 and 2021. CNO will contact schools, starting in early November, to explain the process and introduce NCSBN.

### **French Lexicon Panel**

A French Lexicon panel will be convened on Oct 25, 2019 to review French terms that will inform exam translation. Goal is to reach consensus on a list of terms. The panel terms will be given to NCSBN to integrate into the exam translation processes.
