Schedule No. 1 to By-Law No. 1
Process for Election of Council Officers and Other Members of the Executive Committee
Revised version March, 2020

In this Schedule,

“Council Officers” means the President and two Vice-Presidents of the Council

“Council Officer” means one of the President or Vice-Presidents of the Council and “ballot” can be in either electronic or paper form.

1. Prior to any Council meeting, where councillors are expected to elect one or more Council Officers and/or other members of the Executive Committee, nomination forms for the nomination of the Council Officers and/or other members of the Executive Committee to be elected at that meeting shall be sent by the Executive Director to persons who the Executive Director expects to be councillors at the meeting of Council where the elections are to be held.

2. Subject to paragraphs 8 and 34, to be nominated for election as a Council Officer or another member of the Executive Committee, a councillor must submit a completed nomination form including the written consent of the councillor wishing to stand for election for that position and the signatures of three persons who, at the time of the nomination, were councillors.

3. A councillor may not run for election for more than one Council Officer position.

4. A councillor may withdraw as a candidate at any time.

5. A councillor nominated for more than one Council Officer position must, prior to the commencement of the election, withdraw as a candidate from all but one Council Officer position, failing which the councillor shall not be eligible to run for election for any Council Officer position.

6. The chair of the Nominating Committee or his or her designate shall preside as chair of that portion of the meeting of Council where the election of Council Officers and/or other members of the Executive Committee takes place.

(Amended September 2021)

7. Council shall appoint three scrutineers for the election.

Election of Council Officers

- 8.** The chair will call for nominations from the floor which nominations must be in writing and must comply with paragraph 2 above.
- 9.** Ballots will be distributed for election of the Council Officers to be elected at that Council meeting. Each ballot will include all Council Officer positions to be elected and will include the names of all candidates.
- 10.** The chair will announce the names of all candidates running for election for each Council Officer position.
- 11.** If no councillor has been nominated for any Council Officer position for which an election was to be held at that Council meeting, the Nominating Committee will nominate a candidate or candidates for the office(s).
(Amended September 2021)
- 12.** If only one candidate has been nominated for a Council Officer position, the chair shall declare the candidate elected by acclamation.
- 13.** Each candidate for election shall be offered the opportunity to briefly address Council.
- 14.** Voting shall be by secret ballot and shall take place simultaneously for all Council Officer positions which are subject of election at that Council meeting.
- 15.** The completed ballots will be collected and reviewed by the scrutineers.
- 16.** A staff member designated by the chair will review and confirm the election results under the supervision of the scrutineers.
- 17.** The scrutineers will report to the chair the results in writing including the number of votes cast for each candidate for each Council Officer election. The chair will announce the results to Council without referring to the number of votes cast for each candidate.
- 18.** A candidate receiving a majority of the votes cast for that Council Officer position shall be declared the successful candidate. Where there were more than two candidates running for election

for a Council Officer position and no candidate received a majority of the votes cast, the candidate with the lowest number of votes shall be dropped from the election and another vote (ballot) shall be taken. The same process shall be followed until one candidate receives a majority of the votes cast for that Council Officer position. In the event that two candidates remain with an equal number of votes which tie, in the opinion of Council, is unlikely to be broken by additional ballots, the tie shall be broken by the chair by lot.

19. Where in the course of the election a tie vote occurs respecting two or more candidates having the lowest number of votes in that election and it is necessary to break that tie in order to determine which of the candidates shall be dropped from the ballot, the Council shall vote by secret ballot to determine which of the candidates shall be dropped from the ballot unless the tie, in the opinion of Council, is unlikely to be broken by additional ballots, in which case the tie shall be broken by the chair by lot.

Election of the Balance of the Executive Committee

- 20.** Following the election of the Council Officers, the remaining two members of the Executive Committee shall be determined by election using a secret ballot and in a manner consistent with the election of Council Officers, unless otherwise specifically provided for in this Schedule. For greater clarity the provisions of paragraphs 9, 10, 11, 13, 15, 16, 17, 18 and 19 apply with necessary modification to the election(s) of other members to the Executive Committee.

Process where the President is a member of the College

- 21.** The provisions of paragraphs 22 to 27 apply where the President elected at the meeting is member of the College and therefore two public councillors are to be elected to be members of the Executive Committee.
- 22.** The Chair shall request nominations for the two public councillor positions on the Executive Committee which nominations must be in writing and must comply with paragraph 2 above.
- 23.** If only two public councillor candidates have been nominated for election to the Executive Committee, the chair shall declare those candidates elected by acclamation.

24. If only one public councillor candidate has been nominated for election to the Executive Committee, the chair shall declare that candidate elected by acclamation.
25. If insufficient public councillors have been nominated for election to the Executive Committee for which an election was to be held at that Council meeting, the Nominating Committee will nominate a candidate or candidates for the position(s).
(Amended September 2021)
26. Where more than two eligible candidates have been nominated for election to the Executive Committee, elections shall be held in a manner consistent with the process for election of Council Officers save and except that each councillor will be entitled to cast a vote for not more than two of the candidates.
27. For greater clarity, a ballot cast under paragraph 26 shall not be considered spoiled simply because a councillor only votes for one candidate.

Process where the President is a Public Councillor

28. Where the President elected at the meeting is public councillor, the provisions of paragraphs 29 to 37 shall apply in order to elect one additional public councillor and one additional councillor who is a member of the College, to the Executive Committee.
29. The Chair shall request nominations for the public councillor position on the Executive Committee, which nominations must be in writing and must comply with paragraph 2 above.
30. If only one public councillor candidate has been nominated for election to the Executive Committee, the chair shall declare that candidate elected by acclamation.
31. If no public councillor has been nominated for the Executive Committee position the Nominating Committee will nominate a candidate for the position.
(Amended September 2021)
32. If more than one eligible candidate is nominated, an election shall be held in a manner consistent with the election of Council Officers.
33. The chair shall then call for nominations for the remaining position on the Executive Committee which position shall be filled from among eligible councillors who are members of the College.

34. Nominations for the position referred to in paragraph 33 may be in writing, in compliance with paragraph 2 or may be made orally at the meeting if supported either orally or in writing by three persons who, at the time of the nomination, were councillors, provided the person being nominated for election consents to being a candidate.
35. If only one candidate has been nominated for that Executive Committee position, the chair shall declare the candidate elected by acclamation.
36. If no councillor has been nominated for that Executive Committee position the Nominating Committee will nominate a candidate for that position.
(Amended September 2021)
37. If more than one eligible candidate is nominated, an election shall be held in a manner consistent with the election of Council Officers.
38. The following rules and procedures apply to all elections held in accordance with this Schedule:
1. If a request by a candidate is made within thirty days of the election, the chair of the Nominating Committee will advise the candidate of the number of votes cast for each candidate in respect of any position for which he or she ran for election.
(Amended September 2021)
 2. Unless Council directs otherwise, ballots shall be destroyed immediately following the chair declaring the successful candidates for all positions.

By-Law No. 3: Council and Committee Code of Conduct

Approved by Council September 20, 2017

Revised version December 8, 2023

1. Purpose

- 1.01** The College has a statutory duty to serve and protect the public interest as it regulates the practice of the nursing profession and governs Ontario nurses.¹ Council and Committee members (members) have an important role in making decisions that protect the public interest and promote public safety. In exchange for the privilege of regulating the profession, the College and, by extension, members must always act in the public interest and must never act out of professional or self-interest.
- 1.02** Members must always maintain the highest standards of honesty, loyalty, integrity, good faith and diligence when discharging their duties. Members must always act in the best interests of the public and must treat all persons fairly, reasonably and equitably.
- 1.03** This Council and Committee Code of Conduct (Code) outlines the fundamental values and principles that define expected standards of behaviour. The Code establishes a common set of expectations and standards of conduct for members as they fulfil their fiduciary duties; comply with their statutory obligations; work toward meeting the College's public protection mandate; support strong governance practices, including respecting the role of the Executive Director and CEO; and safeguard the integrity of the College. The Code supports members in holding themselves and others accountable for meeting the expectations on them.
- 1.04** Complying with the Code helps mitigate risks that may tarnish the reputation of the College and of members, which may cause stakeholders to doubt the ability of the College to govern the profession in the public interest.

2. Application and Interpretation

- 2.01** This Code applies to Council members of the College, whether elected or appointed and whether acting in their role on Council or on a Committee, and to non-Council Committee members. Council and Committee members must read and familiarize themselves with this Code, including any changes made from time to time, sign the Council and Committee

declaration at the start of their term of office and annually thereafter and must always comply with this Code.

2.02 This Code shall be interpreted in a manner that best supports the public interest and reinforces the highest standards of behaviour expected of members as they carry out their duties to the College.

2.03 After ceasing to be a member, it is expected that the former member will continue to uphold the principles and maintain the standards in this Code and to behave in a way that upholds the dignity of the College.

- 16.01** Unless it is inappropriate to do so, informal resolution between the person with the concern and the councillor or committee member about whom the person has the concern should be attempted before engaging the formal complaints process. - 16.02** The following procedure shall be followed to address a complaint filed about a Code of Conduct concern if there is no informal resolution before or during the process.
- 16.03** A written complaint shall be filed with both the Chair of the Conduct Committee and the Executive Director. If the complaint is about the Chair of the Conduct Committee, it may be filed with another member of the Committee instead. A complaint may be made by a member of the public, a councillor or committee member or the Executive Director. If the complaint is made to only one of the Chair of the Conduct Committee, another member of the Committee, or the Executive Director, that person shall immediately file a copy of the complaint with the other person.
- 16.04** If the Conduct Committee as a whole has a conflict of interest with respect to the complaint or if the Committee is otherwise unable to act on the complaint, it shall appoint an independent investigator from a list approved by the Council to investigate on its behalf under this Article and it shall appoint an independent commissioner from a list approved by the Council to make decisions on its behalf under this Article.

- 16.08** Where the Conduct Committee or its delegate believes that the complaint does not warrant formal resolution, it shall provide a report to the Executive Committee or its delegate about the investigation and conclusion, with reasons for the conclusion. The Executive Committee or its delegate may accept the report, return the matter for additional investigation or other action, initiate informal resolution, or schedule the complaint for formal determination before the Executive Committee or its delegate.

- 16.14** Any party may appeal the decision of the Executive Committee or its delegate to the Council. The Council is not required to hold a hearing and may establish its own procedures. The Council has all of the powers of the Executive Committee or its delegate making the determination. Since Council is acting in an appellate capacity, any decision requires a majority of the votes cast at the meeting by councillors present. The councillor whose conduct is in issue and the complainant, if a councillor, shall be deemed not to be present at the Council meeting for the purpose of counting votes.
- 16.15** The procedure set out in this Article is intended to be followed in a timely manner recognizing the risk of possible continuing conduct and that the reputation of individuals and the College is at stake while also recognizing the need to provide a fair process for all concerned.
