

MAKING PROGRESS

PURPOSE

To protect the public by promoting safe nursing practice

OUTCOMES

1. Applicants for registration will experience processes that are evidence-informed, fair, inclusive and effective, contributing to improve public access to safe nursing care.
2. Nurses' conduct will exemplify understanding and integration of CNO standards for safe practice.
3. CNO will be recognized as a trusted stakeholder to nurses, employers and the public.

PILLARS

Build and operate an insights capabilities

Operate with agility

Enable proactivity

Engage & mobilize our stakeholders
